

The State of Nursing Education in Florida and Proposed Solutions Think Tank

University of Miami School of Nursing & Health Studies | Florida Center for Nursing
October 19, 2023 | 1pm - 4pm

Workshop

The Florida Center for Nursing workshop will highlight the Florida statewide education survey findings from academic years 2020-2021 and 2021-2022 (including NCLEX results) and allow for feedback and strategic planning regarding nursing education and workforce in Florida.

Event Details

University of Miami School of Nursing & Health Sciences
Schwartz Center
5030 Brunson Drive
Coral Gables, FL 33146
